Dear Sunset Gardens Resident:

Earlier this year, the Sunset Gardens Homeowners Association (HOA) mailed out an event poll asking for homeowner's input for suggested community events and/or planned services for this year. Thank you to everyone that participated and sent in your suggestions! We're excited to announce that Sunset Gardens will host its first Neighborhood Yardsale on **Saturday, June 10th from 9am- 3pm**. The HOA will advertise for this community event in the days leading up to it and will post yardsale directional signs around the surrounding neighborhood areas.

This will be a great opportunity for you to jump start your spring cleaning, declutter your home, meet your neighbors and make a little bit of money while you're at it! If you would like to participate in the community yard sale, all you need to do is ensure that your sale items are set up in your respective yard or garage and be ready by 9am on Saturday, June 10th. Residents are responsible for the set-up and break-down of their yardsale items.

**** In the event of rain, this community event will be rescheduled for the following Saturday, June 17th from 9am- 3pm.**

If you have any questions or concerns, please feel free to contact me directly @ 502.814.2721 or by email at lbettencourt@wearehpi.org. Thank you and we hope that you'll participate in this community event!

Sincerely,

Laura Bettencourt
