One Louisville COVID-19 Response Fund
Household Assistance

Louisville Metro Office of Resilience and Community Services is proud to play a role in helping individuals and families who have experienced a loss of income related to the COVID-19 pandemic.

Beginning March 19, 2020, financial assistance is available to help with rental assistance, childcare, transportation, food, and utilities.

Income eligible households, with a verifiable loss of income – directly related to the COVID-19 pandemic – and a demonstrated need, may receive payment assistance up to $1,000 per household. Funds will be distributed on a first come, first served basis until available funding is expended. Eligible households may call one of our seven Neighborhood Place sites to apply.
